Rare ridge lot opportunity with breathtaking views of the river valley and Rocky Mountains. Situated on a quiet street in one of Silver Springs's most sought-after locations, this 73' x 110' lot offers exceptional potential to renovate, redevelop, or build your dream home. Properties in this location rarely come available. This 1303 sq. ft. (top two level) four-level split features four bedrooms, four bathrooms, a classic brick and vinyl exterior, and a functional layout with endless possibilities. The home includes a walkout basement, three fireplaces, an attached double garage, as well as a detached single garage with convenient rear alley access. Whether you choose to update the existing home or create a custom residence that takes full advantage of the spectacular views, this is a truly special property. Enjoy the convenience of being just steps from the public pool, schools, shopping, off-leash areas, and the extensive cycling and walking pathway system. An exceptional opportunity to secure a premium ridge lot in an outstanding location with views that are simply unmatched.
