Step inside to a bright and inviting main floor where large windows fill the home with natural light. The kitchen has been thoughtfully updated over the years with granite countertops, refreshed cabinetry, updated flooring, and modern finishes, creating a space that feels both functional and welcoming. The home has also seen updates to the paint and flooring throughout, reflecting the care and pride of ownership that has gone into maintaining the property. Upstairs, you'll find three well-sized bedrooms, including a comfortable primary retreat, along with a full bathroom. Downstairs, the finished walkout basement adds valuable additional living space and opens directly onto your private backyard backing the canal. Whether you're relaxing outside, entertaining friends, or simply enjoying the added privacy of having no neighbours directly behind you, this is a setting you simply don't find with most townhomes. The extended single attached garage provides additional room for storage, bikes, seasonal gear, or everything that comes with an active lifestyle. What truly sets this home apart is its location in Bayside, one of Airdrie's most distinctive communities. Known for its scenic canals, interconnected pathways, green spaces and pedestrian-friendly setting, Bayside offers a lifestyle centred around the outdoors while keeping everyday conveniences close by. Schools, parks, playgrounds, shopping, restaurants and services are all within easy reach, with convenient access to 8 Street SW and

Yankee Valley Boulevard for getting around Airdrie or commuting toward Calgary. A walkout basement, private canal-backing yard, attached garage, finished lower level and an updated interior all in the heart of Bayside. This is townhome living without having to sacrifice the space, privacy, or outdoor lifestyle buyers are looking for.
