Welcome to 635 20th Avenue NE - a fully equipped, move-in ready sanctuary offering an unbeatable blend of modern eco-efficiency, luxury comfort, and inner-city convenience. - From the moment you step inside, you will notice the thoughtful design, where every wall cavity and space behind the fireplaces has been custom-crafted to maximize storage. The main living areas feature two cozy gas fireplaces, custom built-ins throughout, and a chef-inspired kitchen accented by durable bamboo countertops. - Designed with sustainability and low utility costs in mind, the home features a rooftop solar panel system, complemented by separate Wi-Fi-controlled solar panels for the detached garage. - Upstairs, the primary retreat serves as a private spa experience, complete with its own gas fireplace and a luxurious ensuite with heated tile floors that extend right into the walk-in shower and seated bench. In fact, every bathroom throughout the entire house features heated flooring for ultimate year-round comfort. - Looking for a unique bonus feature? The cozy finished attic space - while having a low ceiling - makes a fantastic reading nook, a fun sleeping area for kids, or a unique vantage point to sit back and watch the downtown Telus Sky building light up at night. - Downstairs, the fully developed basement includes a dedicated wet bar, perfect for hosting game nights or entertaining friends. - Storage is truly unmatched here - alongside the clever hidden wall spaces and finished attic, the garage comes packed with tons of built-in storage to easily keep all your equipment organized. - Outside, enjoy a beautifully kept, low-maintenance yard that lets you spend your weekends relaxing rather than doing yard work. - Tucked away on an exceptionally quiet street with minimal alley traffic, this home feels like a peaceful retreat - yet it sits just a short walk to local grocery

stores, schools, parks, off-leash dog parks, golf courses, and all neighborhood amenities. - Simply turn the key and start living in one of the most complete, storage-rich, and forward-thinking homes on the market!
