Click brochure link for more details. Positioned in Calgary's vibrant Rosscarrock community, this existing home R-CG sits on a large 6,000 sqft lot near upscale new builds. With 3 bedrooms and 2 bathrooms, the existing home is immediately livable and income-ready, while also presenting itself as a compelling opportunity for premium infill or multi-unit redevelopment in one of Calgary's most dynamic inner-city corridors (pending permits and approvals). Therefore, the versatility of the home provides exceptional flexibility for builders, investors, and homeowners alike. Minutes from downtown, 4 schools, Edworthy Park, Westbrook LRT Station, and Westbrook Mall, this exceptional Rosscarrock property has attractive rental potential and zoning that supports contextual single/duplex infill (pending permits and approvals) — a rare chance to secure a parcel in one of Calgary's fastest-growing inner-city corridors. With back alley access, this property brings seamless potential for side-by-side infill, townhouses, legal secondary suite or future development opportunities, upon approval by the City. Additionally, this property includes a fully paid architect, perfect for prospective builders and developers alike to design a completely custom home as part of their vision.
