Beautiful home with standout curb appeal, featuring Hardie siding and black front window grills. Designed for family living, it offers a widened garage, side entrance, 9' basement walls, rear deck with BBQ gas line, and added windows for a bright, welcoming feel. Enjoy durable LVP throughout the main, quartz countertops with undermount sinks, paint-grade railing with iron spindles, and a cozy electric fireplace with shiplap detail. The executive kitchen features built-in stainless steel appliances including a chimney hood fan, gas cooktop, pendant lighting, and walk-in pantry. Upstairs, the vaulted bonus room is perfect for movie nights or play, while the 5-piece ensuite offers a soaker tub, tiled fiberglass shower, vanity drawers, and tiled floors. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testings, plus an electric car charger rough-in, it's designed for sustainable, future-forward living. Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub.
