Welcome to a truly special opportunity in the heart of Killarney. Offering 1,073 square feet of beautifully maintained living space, this exceptional two-bedroom, two-bathroom condo occupies the top floor and the most spectacular, city facing, side of the building, showcasing sweeping views toward the Calgary skyline that are sure to impress. With no neighbours above and an elevated vantage point, this is the kind of setting that makes coming home feel postcard like. Inside, the generous floor plan offers a wonderful sense of space, with large principal rooms, two spacious bedrooms, and two full bathrooms. With fresh paint throughout, you have a beautiful and bright canvas to make this home your own. Featuring newer appliances (the oven has a custom pizza oven conversion kit that's never been used... that's not a picture of an empty pizza box in the laundry/storage lol), custom window treatments, malleable storage shelving included and thoughtful updates throughout. The expansive living area is perfectly suited for both everyday living and entertaining. The exceptional size also allows for additional functionality. With the incredible city views taking centre stage from every window. Step outside and the experience gets even better. It's a rare combination of privacy, outdoor space, and downtown views that

has become increasingly difficult to find. And then there's the value..... for 1073 square feet and the utility inclusions, these condo fees make this an especially attractive opportunity, allowing you to enjoy the convenience of condo living without the higher monthly carrying costs often associated with a home of this size and quality. Add in Killarney's incredible selection of amenities, the pool and community centre a block away, restaurants, caf  s, parks, schools, 17th avenue, transit, and quick access to downtown the location is every bit as compelling as the home itself. TOP FLOOR. TWO BEDROOMS. TWO FULL BATHROOMS. 1073 SQUARE FEET. A MASSIVE DECK. DOWNTOWN VIEWS. Freshly painted. Newer appliances. Low condo fees. This is not your average condo—it's a rare opportunity to enjoy space, views, and an exceptional inner-city lifestyle in one of Calgary's most sought-after communities.
