Need more space without giving up location? The search is over. Welcome to this beautifully refreshed Avi-built two-storey, offering five spacious bedrooms, 3.5 bathrooms, an oversized double attached garage, and more than 3,000 sq. ft. of developed living space—all on a quiet Evanston street just steps from Kenneth D. Taylor School. Freshly painted throughout and move-in ready, the home has been updated inside and out with brand-new stainless steel appliances, refreshed kitchen cabinetry and backsplash, a new garage door, freshly painted front and garage doors, and a professionally pressure-washed exterior. At the heart of the home, the bright kitchen is centred around a generous island with an extended nook and opens directly onto the deck and fully fenced backyard—perfect for everyday family life and summer entertaining. The main floor also features a welcoming great room with a fireplace and a separate dining room that can easily serve as a home office. Upstairs, you’ll find three large bedrooms and a spacious bonus room, giving growing families a second living area for movie nights, toys, or quiet downtime. The primary retreat includes a full ensuite and generous walk-in closet. The fully finished basement adds two more large bedrooms, a full bathroom, and an open recreation area with endless potential for a home theatre, gym, playroom, or space for extended family. Outside, enjoy a landscaped, fully fenced yard and an oversized garage designed with extra room for larger vehicles, storage, and everything busy families bring with them. Surrounded by scenic walking paths, parks, schools, and everyday amenities, with convenient access to Stoney Trail, Deerfoot Trail, Symons Valley Road, and 14 Street NW. The space you need, in the location you’ve been waiting for—your Evanston
