Perfectly positioned on a quiet street and backing directly onto a school playground and expansive greenspace, the home enjoys a fantastic family-friendly setting with open views and no neighbours directly behind. Inside, 9-foot ceilings throughout all three levels and an abundance of natural light create a bright, airy feel from the moment you enter. The open-concept main floor is designed for both entertaining and everyday life, with a welcoming living area anchored by a cozy fireplace and large windows overlooking the backyard and greenspace beyond. At the heart of the home is the beautifully designed kitchen, featuring granite countertops with a striking waterfall-edge island, sleek modern cabinetry, integrated appliances, and plenty of space to gather. Thoughtful finishes and a cohesive contemporary design carry throughout the home, giving it a polished yet comfortable feel. Upstairs, the layout was designed with family living in mind. Three bedrooms surround a central family room, creating the perfect secondary living space for movie nights, a kids' retreat, playroom, or home office. The spacious primary suite is a true escape, complete with a generous walk-in closet and an oversized, spa-inspired 5-piece ensuite featuring dual vanities, heated floors, a freestanding soaker tub, and separate shower. An upstairs laundry room adds another layer of everyday convenience, keeping everything exactly where you need it. The fully finished basement provides even more flexible living space, with a

large recreation area, fourth bedroom, and full 4-piece bathroom, ideal for overnight guests, older children, a home gym, or additional family space. Step outside to a backyard that opens directly onto the neighbouring school playground and greenspace, offering a wonderful extension of the outdoor living space and a setting families will appreciate. With no rear neighbours and open views beyond the yard, it's an ideal backdrop for kids, entertaining, and everyday life. Located close to schools, pathways, parks, transit, shopping, and everyday amenities, 212 Evansglen Close NW combines the benefits of an established community with the design, finishes, and peace of mind of a home rebuilt in 2022.
