Extensively renovated from the outside in, this 3-bedroom (2 up/1 down), 3.5-bathroom home in a prime Sunnyside location is ready for you to call home. The kitchen has been transformed into a chef's dream, offering ample counter, cabinet, and storage space, premium stainless steel appliances, and quartz countertops — opening onto a spacious dining area and the back deck. On the second level, you'll find a sun-soaked living room with vaulted ceilings, a wall of windows for abundant natural light, and a wood-burning fireplace (cleaned and ready for winter). The upper level features dual primary bedrooms, each with its own spa-like ensuite. One offers a king-sized bedroom with a 5-piece ensuite, while the second includes a 3-piece ensuite, a private balcony, and an open view. The lower level offers a second kitchen, a spacious bedroom and large windows, a 3-piece bathroom, and laundry, providing exceptional flexibility for guests, extended family, a home office, etc. Key upgrades and features include: front porch and deck replacement, updated electrical and plumbing (no Poly B), sump pump, updated lighting and plumbing fixtures, added and replaced windows, a new patio door, fresh paint, flooring, upper-level laundry, a walk-in closet at the front entry, a main-level powder room, a high-efficiency furnace (2013), hot water tank (2024), an attached single garage with driveway, a parking stall and street parking, baseboard heaters in the basement for custom temperature control, and even an apple tree in the backyard. Living here, you'll enjoy a walkable and bikeable lifestyle with easy access to the C-Train, an off-leash dog park, schools, and local amenities in Kensington, as well as Prince's Island Park and main thoroughfares for city-wide convenience.
