Welcome to 293 Red Sky Way NE, an exceptional Jayman-built residence where refined design, generous proportions, and thoughtful upgrades come together in one of Redstone's most desirable family settings. Offering over 2,750 sq. ft. of beautifully appointed living space, this impressive home delivers the space, versatility, and elevated everyday living that discerning buyers have been searching for. From the moment you step inside, the open-concept main floor creates an inviting sense of space and connection, with expansive living and dining areas flowing seamlessly into a beautifully designed kitchen. The large central island provides the perfect gathering point for family and entertaining, while the fully enclosed spice kitchen adds an exceptional level of functionality and convenience. A spacious main-floor bedroom offers added versatility for guests, extended family, or a private home office. Upstairs, a generously sized central bonus room provides an ideal second living area for movie nights, relaxing, or family gatherings. Four well-proportioned bedrooms offer privacy and comfort, including an impressive primary retreat featuring a luxurious 5-piece ensuite and an oversized walk-in closet with custom built-in organizers. The lower level continues to impress with a substantial recreation and games area, creating endless possibilities for entertaining, family activities, or a future media and entertainment space. Outside, the beautifully maintained and fully fenced backyard extends the living space beyond the walls of the home. A large concrete patio, along with a covered lower patio area, creates an exceptional setting for summer entertaining, outdoor dining, and enjoying long evenings with family and friends. Ideally positioned close to schools, parks, playgrounds, walking paths, shopping, and major transportation routes including

Stoney Trail and Métis Trail, this home combines sophisticated living with everyday convenience. With its impressive scale, open-concept design, extensive upgrades, versatile floor plan, and exceptional outdoor space, 293 Red Sky Way NE represents a rare opportunity to own a truly remarkable family home in Redstone. A distinguished residence that must be seen in person to be fully appreciated.
