Thoughtfully cared for and extensively improved over the past seven years, this home offers the perfect combination of classic craftsmanship, modern comfort, and versatility. Perfectly suited for a professional couple while also offering plenty of room for a full size family. The home features four bedrooms, two full bathrooms, a fully developed lower level, and generous spaces for entertaining, working from home, staying active, and simply relaxing. The extensive upgrades have been completed with an appreciation for the character and quality of the original Keith home. The kitchen and bathrooms have been fully renovated, along with triple pane windows, new flooring, doors, lighting, appliances, central air conditioning, and a new radon system. The lower level is one of the home's standout spaces. It features a dedicated home gym and an entertainment room that's ideal for movie nights, game days, or relaxing with friends. With the gym just a few steps away, there's really no excuse for skipping a workout. The oversized garage has spray foam insulation and is heated with a radiant heater. It also features a new overhead door and plenty of room for vehicles, hobbies, and toys. There's plenty of room to park outside the garage too, with a newly replaced side driveway and generous additional parking. Own an RV and tired of paying storage fees? This property has you covered. There is a dedicated RV parking spot right in the side yard, so your RV can stay at home, ready for the next adventure instead of sitting in a storage lot. The backyard is made for enjoying Calgary's seasons, with a cedar gazebo, Jacuzzi hot tub, and inviting entertaining area. Summer evenings with friends are pretty great, but relaxing

in the hot tub on a cold Calgary night might be even better. This is a home that has clearly been loved, enjoyed, and thoughtfully improved. It offers the character of an established Willow Park property with the updates and functionality that make everyday living easy. If you know Willow Park, you already know what makes this neighbourhood so special. For those discovering it for the first time, the location is hard to beat.
