Welcome to this spacious four-bedroom home in the growing community of Wildflower, offering nearly 2,700 sq. ft. of above-grade living space, an attached double garage and an unfinished basement with a separate side entrance. The main floor welcomes you with a bright foyer and luxury vinyl plank flooring that flows throughout the open-concept living spaces. At the heart of the home, the kitchen features quartz countertops, a large central island with seating, extensive cabinetry, stainless steel appliances, a tiled backsplash and a convenient walk-through pantry connecting to the mudroom and garage. The adjoining dining area is filled with natural light and provides direct access to the rear deck, while the comfortable family room is centred around a modern fireplace. A powder room completes the main level. Upstairs, a generous bonus room provides the perfect setting for family movie nights, a playroom or a second lounge. The spacious primary retreat includes a large walk-in closet and a private five-piece ensuite with dual sinks. Three additional bedrooms, a full four-piece bathroom and a dedicated upper-floor laundry room complete this well-designed level. The unfinished basement offers approximately 984 sq. ft. of additional space and, with its separate side entrance, provides excellent potential for a recreation room, home gym, additional bedrooms or future development, subject to municipal approval. Life in Wildflower includes exclusive access to The Hillside Hub, where residents can enjoy Airdrie's first outdoor swimming pool, a hot tub, an open-air sports court and thoughtfully designed indoor and outdoor gathering spaces. Surrounded by parks and pathways, with convenient access to shopping, daily amenities and major routes, this home offers the space, flexibility and community-focused lifestyle today's families are looking for.
