Investor alert! Priced to sell, this 715 sq. ft. unit in the heart of East Village is a great opportunity for investors or those looking for a well-located downtown home. Newer LVP flooring runs throughout the unit, complementing the high ceilings and large windows that give the space a bright and open feel. The kitchen features stainless steel appliances, granite countertops and an eating bar, with the open-concept living area providing plenty of room to relax or entertain. The spacious primary bedroom easily accommodates a king-size bed and additional furniture, while the high ceilings continue into the 4-piece ensuite. A versatile den provides space for a home office, hobby room or nursery. The large south-facing private balcony is a great spot for morning coffee or a summer BBQ. It's an end unit with no unit above! The building also offers a fitness facility and full-time concierge, all in the vibrant East Village community.
