Elegant under-mount lighting beautifully showcases the gorgeous backsplash, and the space comes complete with a brand-new over-the-range microwave. Moving upstairs, the upper level is thoughtfully designed for family living and premium sound separation, keeping all three bedrooms together while separating the primary suite from the two kids' bedrooms. The primary bedroom serves as a true retreat, complete with its own private ensuite bath and generous walk-in closet. The impressive walk-out basement features a SEPARATE ENTRANCE feature that opens up a world of possibilities for guests, older children, or future potential. The lower level also hosts a dedicated laundry area equipped with a brand-new washer and dryer, alongside an efficient HOT WATER ON DEMAND system for endless comfort. To top it all off, you get the ultimate peace of mind with recently replaced siding and newer shingles on the house. This complete package delivers incredible value that is ready for its next chapter.
