Not every lot gives you this much to work with. 104 Silver Springs Green NW sits on one of the larger, more generously shaped corner lots in the area — and the home on it is already move-in ready, so there's no rush to decide what comes next. Inside, 2,714 sq ft of fully developed living space spans 5 bedrooms(3+2) and 3 bathrooms (2+1), including a primary suite with ensuite and a fully finished lower level with a second kitchen, 2 bedrooms, rec room and flex space — ideal for extended family or guests. Outside, the oversized lot and attached garage leave real room to expand, build, or simply enjoy a bigger yard. Just a short walk to Silver Springs Schools and minutes from the pathways and river valley views of Bowmont Park, with quick access to Crowchild and Stoney Trail. Comfortable now, flexible later — come see what this lot can do.
