Step inside and appreciate the freshly painted interior, professionally cleaned carpets and bright, welcoming atmosphere. The open-concept main living area is designed for both everyday living and entertaining, with large windows and patio doors allowing an abundance of natural light to flow throughout the space. The well-appointed kitchen offers an impressive amount of cabinetry and counter space, along with a large pantry and a substantial centre island that provides additional workspace, seating and valuable built-in storage. The island also features a convenient pull-out garbage/recycling system, adding both functionality and organization to the heart of the home. The spacious living room provides plenty of room to relax or entertain guests, while the adjacent dining area offers an easy connection between the kitchen and living spaces. Step outside onto the south-facing balcony, where you can enjoy the sunshine throughout the day, set up the BBQ and create your own comfortable outdoor sitting area. Both bedrooms offer excellent space and privacy. The second bedroom features a generous walk-in closet and a Jack-and-Jill door to the main 4pc bathroom. The primary bedroom is on the opposite side of the unit and it provides a comfortable retreat

complete with its own walk through closet and a private ensuite featuring an upgraded stand up shower. In-suite laundry adds everyday convenience and completes the practical layout. Additional highlights include underground heated parking and a separate assigned storage locker, giving you secure parking and plenty of extra space for seasonal items, recreational equipment and belongings.
