11-foot basement ceilings. A steam shower. Solar panels. This Banff Trail home stands out. Custom built with over 2,800 sq. ft. of finished living space, it pairs a chef's kitchen with an oversized quartz island, a striking floor-to-ceiling stone fireplace, and a vaulted primary retreat with a spa-inspired ensuite. Downstairs, oversized windows bring light into the spacious recreation room, complete with a wet bar, gas fireplace, fourth bedroom and full bathroom. Outside, enjoy a landscaped yard, expansive patio and detached double garage with epoxy flooring and custom shelving. Central A/C, built-in speakers and a prime location near the University of Calgary, hospitals, parks and downtown complete the package. Bold design, exceptional space and a location you will love. Welcome to luxury living in Banff Trail.
