This apartment has been totally updated and is fantastic! With its top-floor corner location, you'll enjoy stunning, unobstructed views of downtown Calgary and the mountains. The recent renovations mean it's move-in ready, and the layout seems very functional and spacious. Having two large bedrooms and two full bathrooms is a great advantage, especially with the added convenience of in-suite laundry. The bright kitchen with a breakfast bar will be perfect for both cooking and entertaining. Plus, being close to grocery stores, a school, and community amenities makes it even more desirable. It is a wonderful place to call home!
