This has all the details that you would expect from a home. The living area offers a cozy gas fireplace for those days when you just need a little extra heat, spacious kitchen with large island breakfast bar, separate den and living room, main floor laundry and the walk through pantry coming in from the garage to the kitchen. Upstairs is where you will find all the bedrooms. The Primary bedroom comes with an amazing En-suite with soaker tub and separate shower. Then you have your very large walk in closet, to boot. The other 2 bedrooms have their own Jack and Jill bathroom. Then you have the coffee deck for enjoying your morning beverage, when you first wake up.
