The Felix by Genesis Builder Group is a stylish and spacious 3-bedroom, 2.5-bathroom duplex home featuring modern living at its finest. With an open-concept design, the main floor flows seamlessly between the kitchen, dining, and great room, perfect for both entertaining and everyday life. The home offers a 9-foot ceiling on both the main floor and basement, allowing for a bright and airy feel. The kitchen is equipped with upgraded cabinetry, quartz countertops, & a gas line to the range, providing a high-end cooking experience. Upstairs, the primary bedroom features a double vanity in the ensuite, while two additional bedrooms share a second full bath. The basement is roughed-in, with a side entry making it ideal for potential future development. The outdoor space includes a parking pad in the rear & a gas line for a BBQ, perfect for enjoying the outdoors. Additional upgrades include upgraded lighting fixtures, elegant railing, & quartz throughout the main and upper floors. Photos representative
