Located in the sought-after community of Midtown in Airdrie, this stunning SHANE HOME BUILT, home offers approximately 2,600 square feet of thoughtfully designed living space on a conventional lot. The main floor welcomes you with a spacious layout that includes a full bedroom, complemented by a bathroom featuring a standing shower—ideal for guests or multi-generational living. The gourmet kitchen is a chef’s dream, boasting built-in appliances, dual-tone cabinetry, and a massive pantry with spice kitchen rough-ins. An expansive living area showcases an extra elongated fireplace, adding warmth and elegance to the space. Venturing upstairs, 4 generously sized bedrooms provide ample accommodation, along with a versatile bonus area perfect for family gatherings. The primary suite is a true retreat, featuring a luxurious five-piece ensuite, while a common four-piece bathroom and a conveniently located laundry room complete the level. The basement offers exceptional potential with a separate entrance, three egress windows, and a vast undeveloped space, ready to be customized to suit your needs. This home perfectly blends style and functionality, making it an excellent choice for those seeking modern comforts in a prime location.
